ABOUT **END YOUR YEAR STRONG** empowerment summit

THE SUMMIT

End Your Year Strong Empowerment Summit is a transformative annual event designed to equip individuals with spiritual, mental, and practical tools to close out the year with clarity, confidence, and divine purpose. Centered on themes of personal empowerment, spiritual foresight, and strategic leadership, the Summit brings together faith leaders, influencers, and visionaries to inspire attendees to align with God's will and finish the year with intentionality and strength. The mission is to activate purpose, release vision, and prepare participants to enter the new year empowered and focused. Known for its dynamic atmosphere and life-shifting teachings, the Summit has made a global impact by igniting faith, fostering community, and catalyzing breakthrough in every sphere of life.

CINDY TRIMM

Dr. Cindy Trimm is a distinguished scholar and former senator with expertise in Strategic Leadership and Corporate Governance. She is the founder and CEO of *Trimm International*, a prestigious executive coaching and consulting company. Dr. Trimm has received recognition from prominent figures, including a Lifetime Achievement Award from former U.S. President Barack Obama and honors from the Queen of England, Duke of Edinburgh, and Governor of Bermuda.

As a visionary humanitarian, she founded *Trimm Global Charities*, dedicated to cultural transformation through initiatives such as community development, women and girls' empowerment, medical outreach, and education. The organization actively contributes to advancing the United Nations Sustainability Goals.

Dr. Trimm is also a prolific author with over 40 best-selling titles, a producer of the blockbuster movie "Canal Street," and a prominent television and radio host. She is highly sought after as a speaker on topics like personal branding, women in business, governmental leadership, and workforce capacity building.

Through strategic interdisciplinary forums and multimedia projects, Dr. Trimm generates practical solutions to society's challenges, emphasizing the potential for positive change in the global village. As the founder of the Trimm Institute for Global Leadership, she remains committed to maximizing human potential through leadership development and collaborative partnerships, aiming to make a meaningful difference in the world.
